Mohamed Atef

Mobile Developer (Native Android & Flutter)

- I am looking for a Mobile Developer Position. I am a tutor at Android Developer track in One Million Arab Coders initiative. Google Africa Scholarship had awarded me the Android Developer Nanodegree Program. Fayoum university, had registered me in Msc.Information Systems. Guinness had recorded me after attending the Hajj Hackathon in Saudi Arabia on Aug 2018. Finally, ALC recommended me to Google Africa Certification Scholarship in Android Development besides accepting me as a Learning Community Ambassador. I am trying to move forward in building mobile apps using Flutter.

- Respect coworkers with commitment to assigned tasks.
